

# A FABB Film!

**Faslane Action for the Bomb Ban**

**June 2022**

This short film tells the story of the 500 mile journey, towing a three metre high giant peace logo, to Scotland to celebrate the fortieth birthday of the Faslane Peace Camp and to protest against Trident nuclear weapons. The logo became the focal point of a Disarmament Camp organised by Trident-Ploughshares & XR-peace at Coulport, nuclear warhead store, timed to coincide with the gathering in Vienna for the 1st CoP for the Treaty on the Prohibition of Nuclear Weapons. Narrated by Angie Zelter together with the songs & voices of those who vigiled at the gates, blocked the roads, got arrested, & even canoed around armed MoD police!      17mins long      Edited by Zoe Broughton
