SAY NO TO NUCLEAR WEAPONS

STOP U.S. BRINGING NUCLEAR WEAPONS TO USAF LAKENHEATH, SUFFOLK

WORKING TOGETHER AGAINST THE DESTRUCTION OF OUR WORLD BY NUCLEAR WAR FOR A FUTURE OF PEACE

Lakenheath Alliance For Peace

lakenheathallianceforpeace.org.uk

MAKING OUR WORLD MORE DANGEROUS

USAF Lakenheath is set to host the nuclear-capable F-35A Lightning. The new B61-12 guided nuclear bombs are due to arrive from the USA very soon unless we stop them. The UK are increasing their own nuclear warheads from 225 to 260 – breaking the Nuclear Non-Proliferation Treaty.

USAF Lakenheath deploys its planes to many countries at war including Afghanistan, Iraq and Syria.

Planes from Lakenheath landed in Jordan to bolster the US presence in the region after Israel declared war on Gaza. Planes from Lakenheath regularly do joint exercises with Israeli and Saudi air forces as well as being deployed as part of NATO forces.

POLLUTING OUR EARTH

Militarism is a central pillar of the extractive systems that are causing massive pollution, climate disruption, biodiversity loss and displacement of people. Climate change causes war. War causes climate change. Around 6% of global greenhouse gases come directly from military activity.

Nuclear weapons facilities have contaminated land and water with radioactive waste lasting at least 100,000 years. Efforts to clean up the sites have cost billions of dollars over decades – and are still largely unfinished. More than 100,000 tonnes of radioactive waste have been dumped in the Atlantic Ocean.

An F-35 combat plane costs £58 million and when flying costs £28,000 an hour. It only does 0.6 miles per gallon and on a normal day there are between 15-30 flights from USAF Lakenheath. During exercises and military interventions flights massively increase.

The noise pollution from the planes is well above safe limits for children and adults living in and around the base.

Lakenheath Alliance for Peace (LAP) is a coalition of 40+ groups dedicated to peace. Join LAP and together we can stop nuclear weapons coming to Lakenheath.

Join us at the main gate to USAF Lakenheath:
> at monthly vigils 12pm-2pm on the last Sat of every month (except December)
> International Peace Camp from 14th to 25th April 2025

JOIN LAP! SIGN UP!
